Experience

VTPMO has been at the forefront of IT, Agile, AI data, security, and staffing solutions for over 20 years.

Clientele

We have served innovative startups, medium to large companies, and government clients.

Our Success Metrics

Top 3 Reasons to Choose Us

Goals Achievement

- Achieved a 95% on-time completion rate for engagement milestones in an Agile digital transformation for a financial provider.
- Maintained a 98% scope adherence in government data modernization engagement, delivering all planned requirements within the defined scope.

Client Satisfaction

- Received a Net Promoter Score (NPS) of +60 after implementing an enterprise data solution for a healthcare client, indicating high client satisfaction.
- Achieved an average Customer Satisfaction Score (CSAT) of 4.8 out of 5 in a web application development project for an e-commerce company.

Return on Investment (ROI)

- Helped a client reduce operational costs by 37% with IT/Ops Service Management (ITSM) SaaS solution.
- Increased revenue by 15% for a healthcare client through AI/BI with visual predictive analytics, improving demand forecasting and inventory management.
